

## HIGH CONSEQUENCE INFECTIOUS DISEASE POLICY

### 1. INTRODUCTION

- 1.1 Stretton Parish Council actively seeks to protect the Councillors, Staff and Contractors working for and on behalf of the Council and its activities. As such, and following any current Public Health England (PHE) and Government guidelines and advice, the following policy applies to any High Consequence Infectious Disease (HCID) as defined by PHE.
- 1.2 This policy sets out the general principles and approach that the Parish Council will follow in respect of an HCID outbreak in the UK with an imminent threat of infection in the Parish.

### 2. SCOPE OF THE POLICY

- 2.1 The main areas of concern for Stretton Parish Council with respect to HCIDs are:
  - Remaining an effective Council
  - Safety and health of Councillors, Contractors, Staff and Members of the Public.

### 3. ACTIVATION OF THE POLICY

- 3.1 This policy is considered to be activated when
  - There is an active outbreak of a HCID in the United Kingdom with an imminent threat of infection in the Parish and
  - At least 3 councillors have requested its activation to the Chairman, and subsequently notified the clerk, or the Chairman plus 2 councillors have requested its activation to the Clerk, or its activation is resolved in a meeting of the Parish Council.

OR

- The government of the United Kingdom suspends all public meetings.

### 4. DEACTIVATION OF THE POLICY

- 4.1 This policy is considered to be deactivated, when
  - The imminent threat of infection in the Parish has passed **and**
  - A minimum of 4 councillors have requested public meetings be recommenced

OR

- The government of the United Kingdom has reinstated all public meetings.

### 5. DEFINITION OF HIGH CONSEQUENCE INFECTIOUS DISEASE

- 5.1 A HCID is defined as
  - acute infectious disease
  - typically has a high case-fatality rate
  - may not have effective prophylaxis or treatment
  - often difficult to recognise and detect rapidly
  - ability to spread in the community and within healthcare settings
  - requires an enhanced individual, population and system response to ensure it is managed effectively, efficiently and safely

5.2 The current list of HCIDs as defined on [www.gov.uk](http://www.gov.uk) (11.03.2020)

<b>Contact HCID</b>	<b>Airborne HCID</b>
Argentine haemorrhagic fever (Junin virus)	Andes virus infection (hantavirus)
Bolivian haemorrhagic fever (Machupo virus)	Avian influenza A H7N9 and H5N1
Crimean Congo haemorrhagic fever (CCHF)	Avian influenza A H5N6 and H7N7
Ebola virus disease (EVD)	Middle East respiratory syndrome (MERS)
Lassa fever	Monkeypox
Lujo virus disease	Nipah virus infection
Marburg virus disease (MVD)	Pneumonic plague (Yersinia pestis)
Severe fever with thrombocytopenia syndrome (SFTS)	Severe acute respiratory syndrome (SARS)*
	Coronavirus disease (COVID-19)

At any such time as a new disease is classified as a HCID, it shall be treated as if it were in the list above and this policy shall apply.

## 6. MATTERS RELATING TO STAFF

- 6.1 The Stretton Parish Council Clerk works primarily from home. The public may only visit the Clerk by appointment and during any active outbreak of a HCID in the UK no appointments will be permitted.
- 6.2 The Priory Centre Manager will work from home for administration purposes should the Centre be closed to hirers but will be expected to regularly check the building and undertake a deep clean if considered necessary.
- 6.3 In the event of a HCID outbreak the National Joint Council for local government services (NJC) will issue guidance for employers which the council will follow. A summary of the most recent guidance during the COVID-19 outbreak of 2020 is detailed below :
- 6.3.1 Employees who are sick or unfit for work need to focus on their recovery.
- 6.3.2 As per Part 2 Para 10.9 of the 'Green Book', if an employee is fit for work but decides, or is instructed, to self-isolate, their absence should not be recorded as sickness absence. We would expect all options for home or remote working to be explored with the employee. As they are 'well' at this stage they should stay on normal full pay for the duration of the self-isolation period until such time as they are confirmed to have contracted any such HCID, at which point they transfer to sickness absence leave and the usual provisions of the sickness scheme will apply.
- 6.3.4 In circumstances where an employee decides to self-isolate without instruction from the authorities it is not unreasonable for the employer to ask for some evidence such as an email from a holiday operator that shows the dates of the holiday, the resort location and flight details. However, it will probably not be possible in all cases for an employee to produce any evidence, so employers will need to use their discretion when trying to establish the facts behind the employee's decision to self-isolate.

- 6.3.5 If an employee is caring for someone who has or may have coronavirus, this period of absence should also be regarded as self-isolation. Given the employee may then have been in direct contact with the virus we would expect only working from home arrangements to be then considered for the duration of the incubation period. Employers should keep in touch to support employees.
- 6.3.6 Following any school closures, employers should be fully supportive of employees with childcare responsibilities and consider flexible working arrangements, including adapting working patterns to care for children or dependants or taking time off, whether this is special leave, annual leave or flexible working.

## 7. PUBLIC MEETINGS

- 7.1 It is a requirement of the Local Government Act 1972, that council business shall be conducted at public meetings of the council and any committees.
- 7.2 Councillors can choose to not attend public meetings. As an officer of the council, the Clerk cannot choose to not attend meetings.
- 7.3 Due to the nature of local government and considering the Councillors and Members of Public whom attend meetings, there is high percentage of attendees whom would be considered "high risk" with respect to all of the HCIDs listed in Section 5.2. As such, to protect the health of all attendees, public meetings are suspended during the active period of this policy.

## 8. DELEGATED AUTHORITY

- 8.1 To allow the council to operate on a minimum requirement basis, the following items are delegated to the Clerk for the duration of the activation of this policy.
- 8.1.1 Planning applications, after consultation with a minimum of 3 councillors, the summary response will be submitted to East Staffordshire Borough Council by the Clerk.
- 8.1.2 Finance
- 8.1.2.1 all standard recurring payments listed as line items on the budget will be paid by the RFO at the appropriate time to prevent any late charges, such as salaries, printing costs, dog waste, licences and IT services etc.
- 8.1.2.2 non-recurring payments, such as one off costs relating to the land maintenance or expenses to be authorised by a minimum of 2 councillors by e-mail prior to payment.
- 8.1.2.3 All payments will be formally authorised by the full council at the next full council meeting.
- 8.1.2.4 Where this policy is activated over the end of the financial year, the RFO will prepare the end of year accounts in accordance with normal procedures and circulate to all of the councillors. On the acceptance of a minimum of 4 councillors, they will be signed by the RFO/Clerk and Chairman as applicable for submission to the external and internal auditors. The accounts will be accepted by resolution at the next full council meeting.
- 8.1.3 Responses to other communications. The Clerk and Chair will deal with any communication from any 3rd Parties which would normally be presented at a meeting for consideration by the council. A summary will be given at the next full council meeting to be held

8.1.4 In accordance with LGA 1972, where this policy is activated during a meeting of the council, the meeting will be immediately adjourned. Using the delegated authority as detailed in 8.1, the Clerk will endeavour to deal with as much of the remaining agenda as possible, the results of which will be reported to the council after the adjournment when the rest of the agenda is considered.
